

COMMERCIAL DESIGN SERVICES

With over 15 years of experience designing beautiful and unique commercial spaces, Shannon Adamson Interior Design can help create a welcoming environment that reflects your brand and helps you stand out from the competition. From initial concept to final installation, we are here to make your dream a reality!

DESIGN:

- Space planning: designing a code-compliant and functional layout for your space, including walls, restrooms, back of house and front of house areas, furniture layouts, etc.
- Interior architecture: creating architecture in the space utilizing new or existing ceiling and wall features
- Lighting design: selecting and placing architectural and decorative fixtures for maximum design impact
- Finish selection (interior and exterior): paint colors, wall covering, flooring, millwork, and fabric selections to create a cohesive and well-designed space
- Furniture & fixture selection: designing customized commercial-rated, stylish furniture and built-ins that reflect your branding and hold up to daily use
- Signage design (interior or exterior): impactful signage that reflects your branding and makes you stand out from the crowd
- Exterior design: working within landlord and city requirements, let us help your business create a great first impression. Architectural features, unique entry doors, lighting, and impactful signage come together to make your business stand out.

CONSTRUCTION SUPPORT:

- Detailed design drawings: creating detailed drawings that can be incorporated into the architectural permitting set, and used by your general contractor to make the design a reality.
- Construction consultation: working with your architect and general contractor with any questions throughout the design and construction process, including site visits.

IMPLEMENTATION:

- Purchasing services: selecting, purchasing, and coordinating delivery of furniture, fixtures, finishes, and lighting for your design.
- Installation: coordinating and overseeing furniture installation
- Final touches: art and accessories selection and placement
