

RESIDENTIAL DESIGN SERVICES

With over 15 years of experience designing beautiful and unique homes for our clients, Shannon Adamson Interior Design can help create a functional, cohesive, and comfortable design for your home. From initial concept to final turnkey installation, we are here to make your dream home a reality!

FURNISHINGS:

- Furniture layout & space planning
- Furniture & fabric selection
- Custom furniture design
- Window treatment design
- Bedding and pillows design
- Area rug selection
- Lighting selection and layout: lamps, sconces, chandeliers
- Art and accessories selection
- Purchasing and installation of all items selected

RENOVATION AND NEW CONSTRUCTION:

- Space planning: creating the ideal layout for function and flow
- Technical CAD drawings of design details for implementation
- Lighting: decorative and architectural (crucial to combat the PNW gloom!)
- Flooring: wood, stone, tile, carpet
- Paint and wall finishes
- Kitchens: finishes, cabinets, plumbing, appliances, hardware, lighting
- Bathrooms: finishes, plumbing, hardware, lighting
- Millwork design throughout the home: built-ins, cabinetry, railings, doors, hardware, interior trim details
- Stairs: finishes, details, railings, runners
- Fireplaces: finishes, details, updating existing
- Project management throughout the construction process
